Annual Report 2020

Hello, Friends! In an attempt to remain accountable to all of our many, generous partners, we wanted to give you a recap of our year. Please ***enjoy some of the results of your giving!*** In looking back over 2020 and seeing all of the challenges we faced, OUR GOD showed up every time!

In July of 2019 when VLC shifted its focus and released the property to Anchor Point Church, Camp Victory Life temporarily set up shop in a warehouse just down the street. But, in January we made plans to move to another

warehouse. We began the year with a huge, unbelievable blessing, finding a much-needed 2019 Bobcat sitting in the parking lot with Pastor Frank's name on it! That put us in a pause for a few days...wow, how could that be???? And then, ended the year with a brand new grapple! Only God.... The 10,000 sq. ft. warehouse is just

what we needed to accommodate all of our supplies and equipment. It even came with office space and a large room for meetings and classes, along with a commissary for our food truck supplies! As you can imagine, **January and February** consisted of

moving, organizing the placement of supplies and preparing for crisis outreaches. In the middle of it all, Pastor Frank and Gayle were able to take a trip to Leighton, Al. to speak at Pastors Charles and DeTamera Orr's church.

In **March** as supplies began coming in, we were able to share with others. Pastor Ryan Frith and his Youth Pastor, Pastor Adam, came from Healing Place Church, in Denham Springs, to receive a load of PPE's to help provide for needs produced from the pandemic.

In **April**, we hosted volunteers from Anchor Point Church to assemble sack lunches and distribute them to local school children in need. Due to the pandemic, what would have normally been a summer project was extended to over a 4-month period, providing breakfast and lunch twice a week to school-age children of 100 families.

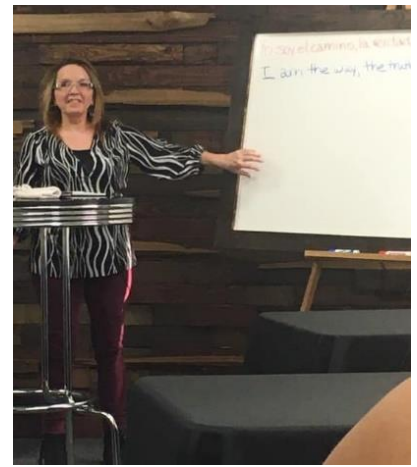

April brought a devastating tornado to our Mississippi. Alongside of Pastor Divine Grace took food and and Collins, communities of

tornado to our Mississippi. Mike Angus from Baptist Church, we supplies to Bassfield surrounding Hattiesburg.

Pastor Frank and Gayle began a 4-month Discipleship Class in **May**, while Stephania Ward began teaching a Beginners Spanish class.

For Mother's Day this year, we delivered flowers and hot meals locally to let several mothers know how much we appreciate them.
